Overview of Startup Bangladesh Limited (SBL):

Startup Bangladesh Limited is a fully government owned venture capital company under ICT Division, the Govt. of Bangladesh. The company invests in promising local startups, providing capital, mentorship, and strategic support to foster innovation, employment, accelerate digital transformation, and build a vibrant venture capital ecosystem in Bangladesh. SBL also nurtures young entrepreneurs to become changemakers and leaders of the future of technology and innovation.

Position Overview:
The Analyst – Fund of Funds will support SBL's Fund of Funds (FoF) program across the full fund investment cycle, including fund manager research and screening, due diligence, financial analysis, financial modeling, risk assessment, partner fund monitoring and reporting, and maintain agency relationship. The incumbent will report to the head of the head of Investment – Fund of Funds.

Specific Responsibilities:

- Market & Fund Research: Research the VC/PE fund landscape in Bangladesh and the region, and screen prospective fund managers to build the FoF pipeline.
- Due Diligence Support: Collect and analyze fund manager information on track record, strategy, team, governance and fund terms, and prepare sections of due diligence reports.
- Financial Analysis & Modeling: Support the build-out of fund-level cash flow, return (IRR, TVPI, DPI) and portfolio construction models.
- Risk Assessment: Assess investment, operational, governance, concentration and compliance risks of prospective and existing partner funds.
- Investment Documentation: Prepare analyses, drafts and exhibits for fund commitment memoranda and Investment Committee presentations.
- Partner Fund Monitoring: Track capital calls, distributions, valuations and quarterly reports of partner funds, and check adherence to LPA terms, side letters and investment guidelines.
- Reporting: Prepare periodic FoF portfolio performance and risk reports for management, the Investment Committee and the Board.
- Data Management: Maintain the FoF database covering pipeline, commitments, capital calls, distributions and fund-level returns.
- Stakeholder Support: Assist engagement with fund managers, Limited Partners, DFIs and co-investors, including meetings, data requests and correspondence.

Qualifications:

- Experience: At least 4 years of relevant work experience in Venture Capital/Private Equity, capital market, investment banking, reputed consulting firms or financial institutions.
- Domain Knowledge: Deep knowledge and concept about VC/PE and Fund of Funds structures is required.
